# **Dolphins Swim Team**

## **Program Information**

### **What is Dolphins?**

The Dolphins Swim Team is hosted by the Enfield Recreation Department for boys and girls ages 5-18 years old. The team swims at the Fermi High School Pool, 124 North Maple Street in Enfield. The coaching staff believes that it is important to teach the strokes correctly to the swimmers in a way that is developmentally appropriate while giving them ample opportunities to practice what they have learned. The focus is on improving strokes and times while having fun and being part of a team.

### **We don't live in Enfield... can we still swim?**

Yes! In the summer, our league allows us to take swimmers from Enfield and any town that borders us and does not have a CCSL town team. We have or have had swimmers from Broad Brook/East Windsor, East Longmeadow, Ellington, Longmeadow, Somers and Suffield. For swimmers who live in a town that does not border Enfield, but also does not border any town with a CCSL team, we ask the league for an exception. If you are unsure about your town, please ask!

### **Why Dolphins?**

Dolphins is a great way to continue on the success of swimming lessons and keep swimmers in the pool. Swimmers will continue to progress while learning and improving their strokes. Our coaches believe that every swimmer on the team is important and we want swimmers to improve and achieve while learning and having fun. Coaches foster an environment that celebrates sportsmanship, improvement and team spirit. Swimming is a lifelong sport and many long-lasting friendships have begun at Dolphins.

It's okay if swimmers have only taken swimming lessons and have never swam on a team before! We are here for them to have fun, learn and improve. Even the Olympians were once just brand new swimmers at their first swim practice!

Come join the Dolphins family!

## Practice & Meet Information

**PRACTICE** is usually offered 3-4 times per week. Swimmers are expected to attend practice twice per week however they may attend every night if they wish! You choose the nights they attend and those nights can change from week to week. Practice times are assigned by swimmer age and ability, swimmers will be assigned a practice group based on this. By splitting swimmers up by age and ability, it helps to make sure that every swimmer is in the right level and are learning things that are appropriate to their development. Practice will begin in the middle of May and run to the first week of August.

Female swimmers will need a one-piece racing style swimsuit (no halters, cut-outs, etc), a swim cap and goggles. Male swimmers will need a swimsuit, goggles and swim cap if their hair is longer. *Note: silicone swim caps are recommended but not mandatory.*

**SWIM MEETS** will begin in late June/early July and are held during the week after 5PM. All swimmers are expected to compete in swim meets. Typically we have 3-5 meets plus a Championship meet. Swimmers compete against other children who are in their age group. A swim meet schedule will be handed out early in the season after the coaches attend the pre-season league coaches' meeting.

We do have a team suit that we recommend all swimmers purchase and wear for meets only. The team suit helps swimmers to feel as though they are a part of the team. These suits can be purchased on team suit night and that date will be forthcoming. All swimmers wearing a cap must wear a Dolphins cap to meets. Swimmers will be given a latex cap, but you have the option to purchase silicone caps with the swimmer's last name on it if you prefer.

*Please note: The boys team suit is a jammer style. This is a knee length suit that is tighter than typical board shorts.*
